

Certificate of Completion

IS AWARDED TO

Mahek Dugar

on successful completion in

PYTHON AND ARTIFICIAL INTELLIGENCE SUMMER- CAMP

Held from 5th June to 21st June 2023 by Rancho Labs backed by Technology Innovation Hub of IIT Delhi (IHFC)

During the 22 hours Summer camp program , the student learned about the fundamentals of Python, variables, conditions, data structures, strings and functions and libraries like Matplotlib, Numpy and Pandas. They were engaged in hands-on projects during the course and also learned about Linear Regression, AI Models, Regression & Basic Chatbot development. The program was aimed to provide a foundational understanding of Python programming and an introduction to the world of artificial intelligence.
